

Spanish Live 2018!

Spanish Live is more than just a tour of Spain; it is a rigorous course which provides an opportunity for you to immerse yourself in a study trip in order to build on your language skills and gain a new perspective. Pre-travel preparation is essential in getting the most out of the experience. Before departure, you will participate in classes that will prepare you for the experience. While in Spain, you will also be expected to speak Spanish, as well as maintain a positive attitude and keep an open mind. Students will complete coursework before the trip to Spain, during the immersion experience abroad and upon their return. Spanish Live is worth 1/2 high school credit.
